

Back to School Kids Book Exchange

School is almost here and what says school more than books? Welcome to our Back to School Kids Book Exchange! It's SUPER SIMPLE and YOUR child will receive some great books to add to their collection. All you have to do is send ONE book to the child listed below as #1. Then send TWO copies of this letter (one filled out and one blank) to 6 mommy (or mommy to be) friends. Move my child's name to the #1 spot and list your child's name on the #2 spot at the bottom of this letter. Soon, your child will receive 36 books!

How awesome is that? Talk about a great deal, 36 books for sending ONE!

Imagine how excited _____ will be to receive a package in the mail 36 times!
